

Recent Operations

By Paul Rardin

Just a few more hours and this year of 1940 will be history. It has been a good year to those of us here on this new frontier. We have no kicks, no regret, one year hence if 1941 is just as good.

My sincere wish for you and yours is that the New Year may bring you all of the blessings to which you feel you are rightfully entitled.

Christmas is always a welcome and merry time. But, there seems to be some sort of relief when it's all over.

Civic organizations in the Glades saw to it that many children—who otherwise wouldn't have received gifts—got some little remembrance at Christmas.

Next Wednesday comes the Orange Bowl game in Miami. Hundreds of foot ball fans from the Lake Okeechobee region will be in attendance. One of the more colorful affairs of its kind in the United States.

In this week's issue we're announcing a big subscription and advertising campaign. There's opportunity for a lot of folks to pick up some extra cash in a short space of time. We want new subscribers and are willing to pay a pretty good amount to get them. Read the announcement on pages four and five—decide to get your share the cash. Come to the office in Canal Point and full information will be given you by the campaign manager.

I hope to be right back here next week to start a New Year.

South Bay Folks Hold Celebration

On last Friday night, South Bay people gathered for the annual Christmas program in a live tree at the school center, which was sponsored by the P.T.A. A sister by the Junior Club, Mrs. Helen Kates was the mistress of ceremonies.

The program was given by the Junior High school, in the form of a "Just What You Wanted" and it was well presented and enjoyed to the highest degree.

There was a great exchange of gifts from the big Christmas tree and Prof. E. P. Johnwick, was the recipient of a "Dumb Duck."

Proceeding the evening entertainment, Prof. and Mrs. E. P. Johnwick entertained the members of the school faculty at a chicken dinner.

New Year's Eve Dance At The Glades Club

The New Year will be observed at the Glades Club in a dance at which Bill Dooley and the Palm Beach orchestra will furnish the music. The dance is scheduled to start promptly at ten o'clock and the tariff will be one dollar per couple. Mosey Williams, proprietor, will have favors for all in attendance.

Market Service Is Moved To Pompano

The office of the State Market News Service, which has been at the Glades Club for the past three years, has now moved to the Pompano area where it will continue to report on the first half of the year's work. Reports from the various chairmen showed that the club had made excellent progress during the six months of the year which had been at the Glades. An increase of 25 percent in the membership was reported.

Among committee chairmen reporting were T. L. Burn, W. P. Jernigan, C. E. Johnson, Paul B. G. Karpitschka, Paul G. Giedt, M. D. Geiger, Sam Chastain, Peter DeMoya and Bert Lapp. Each committee chairman told of accomplishments during the past six months.

Up in Brevard county, a four hour interval rain was reported, which held up the market service. The market service, which had been held at Titusville for safety, so heavy was the storm and rain. The rain seemed to be general over the state especially at the Glades, fans, and "bring out the favors" was the slogan for this year. A planting of 10 acres of cabbage, from which it hopes to swell its treasury for chapter activities.

Hospital Board Changes Name Of Glades Hospital

Western Palm Beach County Hospital Is New Name

It will not be proper any longer to call the Everglades Memorial Hospital by that appellation, as the new name will be this name. The hospital was operated until the present board took over its management, it has had many financial worries but managed to put aside enough money to continue its service to humanity. During that period records showed that 1,265 patients have been hospitalized, from one day to five months, many simple surgical operations have been performed by the staff.

Under the levy, Mr. Richardson, the treasurer, estimated that a sum of \$9,000 would be collected by the end of the year, and the full amount is seldom collected. In addition to the levy funds the County Commissioners also appropriated \$466.66 by a county wide levy, so that around \$1,000 a month should be available for operation expenses.

The hospital gave a large amount of charity work, which in the past year was done by contributions from citizens, public hospital users and other sources.

Tony Liebhart, laboratory technician, who has been with the unit for several years, is still on now, and is the only person left. One more additional nurse is to be added to the staff.

Severely Hurt In Auto Accident

A head on collision between two passenger cars took place at the Hancey center, east of Belle Glade, early Monday morning. As a result of the collision, N. S. Motes, of West Palm Beach was injured, and when X-rays were taken at the Good Samaritan hospital, it was found that he had sustained a fracture of the pelvic bone.

The Motes family were on their way to Clewiston, but none of the rest of the family were injured.

John J. W. Fleman, of Miami, was riding in the second car, and they likewise were uninjured.

Morrow Is Named Head Of Bar In Co.

Russell Morrow, of Lake Worth, of Palm Beach county, recently elected to the state legislature, has been elected as president of the Palm Beach Bar Association.

For a young man who has been in the law practice for only around six years, he has done well and reached the top both in his profession and in politics.

Rotarians Hear From Committee Chairmen

At the weekly meeting of the Pahokee Rotary club held at the Masonic hall yesterday at noon, President Thurmond Knight called on chairman of various committees to report on the first half of the year's work.

Reports from the various chairmen showed that the club had made excellent progress during the six months of the year which had been at the Glades. An increase of 25 percent in the membership was reported.

Among committee chairmen reporting were T. L. Burn, W. P. Jernigan, C. E. Johnson, Paul B.

G. Karpitschka, Paul G. Giedt, M. D. Geiger, Sam Chastain, Peter DeMoya and Bert Lapp. Each committee chairman told of accomplishments during the past six months.

The World's Meanest Man Has Been Around

We don't know whether he was black or white, yellow or red, but the rascals who shot the lights and made the noise in the Glades community Christmas tree must be the meanest man in the world. The tree was lighted Christmas night and between the hours of 12 and 1 a.m. the lights were removed, the lights and all decorations and made off with them.

Victor Geiger, of the Geiger Lumber Company, is soon to come by a special train starting out of Kansas City and at Louisville, will pick up a load of lumber to begin the building of the New York delegates at Jacksonville.

The party at Jacksonville will be chartered boats for a week around the tree lighting area of the state visiting Sanford, Ocoee, Orlando, Plant City, Tampa, Bradenton, Sarasota, Clewiston, Belle Glade and the Brevard and Lake Okeechobee County farming sections.

At Clewiston, the U. S. Sugar Corporation, with employees by the thousands, will be out over two days to help plant the sugar cane and sugar cane will be in at the Inn at a barbecue. Belle Glade civic interests will see to it that the delegation has opportunity of seeing the packing houses and trying the packing houses, lettuce and vegetable farms.

The Vegetable Growers Association is one of the largest in the country, and this year it is going to meet in Florida, standing with its membership.

The delegates will have an opportunity of seeing every section of the state and the country from which it will come from which it will come and sells its prime products which amount to more than \$200,000,000 a year.

The hospital gave a large amount of charity work, which in the past year was done by contributions from citizens, public hospital users and other sources.

Migrants Enjoy A Real Christmas, Presents And All

Unusual Service Attracts Many To Holiday Program

The Christmas entertainment at the Migrant Supply School, Sunday afternoon, was a success with 100 persons attending. Supt. Mrs. B. Elliott and her corps of workers, who had supplied everything that was needed to make it a real holiday.

The children came and showed their great deportment and took much pleasure in reciting the poems and songs of the season.

Each child received the illumination of a tree and in due time, each child was given presents and treats.

There was an incident of self-sacrifice displayed by three children, who had been separated from their parents.

\$1,500 In Cash To Be Awarded Workers

Contest Affords Remarkable Opportunity For Live Wire Contestants; Now Is The Time To Get In On The Cash Awards

THE EVERGLADES NEWS and BELLE GLADE NEWS make formal announcement today of a gigantic cash prize campaign in which hundreds of dollars' worth of cash awards and cash commissions will be distributed. A two-page advertisement in this issue gives the details of the enterprise. The list consists of some of the most attractive and costly awards one could imagine. They will be given to the energetic ones who take part without a penny's cost.

The object of the campaign is to increase the already creditable circulation of this newspaper to even greater proportions and THE NEWS is going to pay its friends handsomely for introducing them to their friends and neighbors.

The list of cash awards offered is one of the most attractive and most valuable ever given by a newspaper in the vicinity in a similar undertaking. The fact that the campaign is of such short duration makes the proposition appeal to people who like action and adventure, who like to have fun and interesting things to do.

THE NEWS is a novel one. It would reach thousands of new readers by employing scores of solicitors to cover this section, but it would not be a long time to reach the entire state.

In inaugurating the big cash campaign THE NEWS has adopted a better and quicker method. The plan also gives its friends and readers an opportunity to earn big awards during spare time.

An especially attractive feature of the campaign is that all will be paid handsomely for the results. The regular 20 cent will be paid to those who do not win one of the regular awards. Thus the "Good Will" campaign is a sure thing from the beginning and depends entirely upon the effort put forth.

Those who aided in the work of the celebration were: Purchasing of gifts, Mistletoe Bazaar, Santa Claus, and the like. The community celebration of the Christmas tree was a success and the 20 cent will be paid to those who do not win one of the regular awards.

\$500.00 HAS BEEN SET ASIDE

A special fund has been set aside at the estimated amount required to pay 20% commissions or salaries for active non-prize winners. Any candidate who remains active throughout the campaign, making regular reports but fails to win one of the big prizes offered, will participate in this commission feature. THINK OF IT! Twenty per cent

of every dollar you collect goes into your pocket if you fail to win a prize. This arrangement assures compensation to all candidates and means there will be no losers in the race. Everybody wins something. For further information call in person, telephone, wire or write the Campaign Manager, care THE NEWS, Canal Point, Florida.

IT'S DIFFERENT

THE NEWS has secured the use of a plan that is different from the usual old-fashioned "contest" idea. In the first place the Campaign is an extremely short one, and in the second, MANY MORE VOTES ARE GIVEN FOR SUBSCRIPTIONS SECURED EARLY IN THE CAMPAIGN THAN FOR THOSE SECURED LATER. Usually, the

vote schedule is INCREASED as the Campaign goes along. In this plan the vote schedule is very materially decreased. The reason for this is to assure the workers the biggest prizes and to absolutely prevent anyone from stepping in at the last moment and winning.
